## **MEDIA GUIDE – AUSTRALIA DAY 2009**

### **Sydney Harbour Foreshore Authority**

*21 January 2009*

The Rocks, Circular Quay and Darling Harbour will be bustling with activity on Australia Day, with thousands of people expected to visit these areas to enjoy events.

Rocksong, a free live music festival, will be held in The Rocks from 11.30 am to 9 pm. Celebrations at Darling Harbour include family entertainment, the Twilight Ceremony and the Australia Day Spectacular, from 11.30 am to 9 pm.

Given the large number of visitors expected, all media must ensure that their activities do not obstruct pedestrian access throughout the precincts.

Sydney Harbour Foreshore Authority Rangers and NSW Police will be on duty throughout the celebrations to monitor crowd movement and ensure pedestrian safety. Any media considered to be blocking a walkway or other public area may be requested to move on by the Rangers or Police.

There will be road closures and changed traffic conditions around Darling Harbour, Circular Quay and The Rocks.
